

# Anuj Pokharel

Ekantakuna, Lalitpur  
Nepal  
(+977) 9861722204  
anujpokharel2@gmail.com

## EDUCATION

**New Guidance Secondary School, Barathawa — SLC**  
(2005-2016)

**St Xavier College, Maitighar — +2 Science**  
(2016-2018)

**Tri Chandra Multiple Campus (TU), Ghantaghar — B.A Economics.**  
(2018-2021)

**Kathford engineering college (TU), Balkumari — B.E computer Engineering**  
(2019-2024)

**Ratna Rajya Laxmi Campus (TU), Putalisadak — M.A Economics**  
(2024-Present)

## PROJECT

**Major Project on Fake Currency Detection System Using image Processing-**  
Use of CNN, PyTorch, TensorFlow, Keras, ImageDataGenerator

**Minor project on Diabetes Detection System using Random Forest Classifier i.e web app**  
streamlit, Random Forest Classifier

**NLP project on “Spam Message Detection “**  
TensorFlow, seaborn, CountVectorizer, MultinomialNB, TfidfTransformer, LogisticRegression

**React project on “Web Verification App”:**  
HTML, CSS JavaScript, React J's, Express J's

## Experiences:

Data Analyst - ML at Samman consulting firm.

## SKILLS

HTML, CSS, JavaScript  
Python Programming  
React.js  
Data cleaning  
Data manipulation  
Data Visualisation and Interpretation  
ETL and Data Pipeline  
Machine learning,  
NLP Model Development  
ML model development  
Database management i.e SQL, MySQL  
AWS {EC2, Lambda, Hadoop, Snowflake Data Warehouse}

## LANGUAGE

English (Proficient)

Nepali (Native Speaker)

## Professional Courses Done:

1) IBM Data Science Full course  
offered by edx and IBM

2) IBM Data Engineering Full Course  
offered by edx and IBM
